## WINE

### Yellowtail

The perfect wine for the Big Game!

## BEER

### Sierra Nevada SierraVeza

Light and easy lager.

Inspired by the classic cervezas served ice cold by the beach, we created our own take on those light and easy beers born south of the border. Sierraveza is golden and crisp, with a balanced malt flavor and a hit of floral hops

that will have you calling out for another round.

## WINE

### Imagery

Rooted in three decades of Sonoma Valley winemaking,

Imagery embraces the artistry of fine wine. In our new line of Imagery wines, we're celebrating traditional varietals enhanced with something a little outside the box.

It's our way of inviting you to raise a glass and Broaden Your Palate.™

## BEER

### Wild Heaven Bestie

Bestie is a delicious session Pub Ale brewed in collaboration with England's Arundel Brewery, Wild Heaven Beer and Robert Merrick of Atlanta's 9 Mile Station. Built on the backbone of a traditional Standard Pub Ale

with our own twist added, Bestie is designed to be a flavor-forward, yet easy-drinking beer. It is medium amber in color with light hints of peat and dark fruits and finishes crisp and clean with lingering floral hops.

## WINE

### A by Acacia

Acacia takes its name from the lone Acacia tree that once stood on this Los Carneros vineyard. The tree stands tall against the cool winds from San Francisco Bay signaling the chilly conditions that give this region one of the longest growing seasons around. Cool temperatures, dense clay soils and extended hangtime on the vine all combine to yield Pinot Noir grapes of rare power and complexity. Gentle handcrafting brings out the full expression of this special terroir, for wines with layered varietal character over silky texture.
